1-to-1 Leader Layer 1
MODEL: 1-to-1 Vision and Goals for Student and Teacher Learning

The following represents an overview for how leaders can/should engage various stakeholder groups in identifying 1-to-1 vision and goals. This process should be replicated on a regular basis (For example: yearly).

What are 1:1 opportunities and possibilities?
...Research plan...

Our teaching and learning vision & goals
...articulate vision, goals, and outcomes; develop a plan...

What we have learned
...first steps toward vision building and goal setting...

Our message to staff, students, parents and community

= Why 1-to-1?
